### READ - history overview

Since 1994 (Warsaw, Poland), every second year, the seminar has been organized as a general forum for exchange of information about progress in aerospace engineering research. The unique character of the seminar

is given by its focus also on aircraft engineering education and inclusion of juried student session.

Over the years, the seminar has travelled from Warsaw (Poland), through Vilnius (Lithuania), Riga (Latvia) to Tartu (Estonia), Brno (Czech Republic), then to Warsaw, Brno, Vilnius and this year returns to Warsaw again.

### SCAD -- history overview

Since 2011, the Symposium on Collaboration in Aircraft Design has been organized by Research Section of CEAS Technical Committee Aircraft Design. The first two symposia were hosted by DLR. Next Symposium was held in Linköping together with CEAS Air & Space Conference and after that travelled through Toulouse, Naples and this year arrives to Warsaw.

RESEARCH & EDUCATION IN AIRCRAFT DESIGN

WARSAW, SEPTEMBER 12-14, 2016

The READ seminar serves as a forum for the presentation of the latest advances in aeronautical engineering and its influence on education of aircraft engineering.

#### **Covered topics:**

- AIRCRAFT STRUCTURES AND PROPULSION
- AIRCRAFT DESIGN
- AERODYNAMICS AND FLIGHT DYNAMICS
- AIRCRAFT AVIONICS AND ELECTROMECHANICS
- AIRCRAFT MAINTENANCE
- AEROSPACE EDUCATION
- AVIATION DEVELOPMENT
- SAFETY AND SECURITY IN AVIATION
- MATERIALS IN AEROSPACE ENGINEERING

#### **General information**

All papers received by 15<sup>th</sup> June will be published in the proceedings in the form of a CD and distributed during the seminar. All papers will be sent to reviewers and then the best articles will be published in the journal Transactions of the Institute of Aviation. The Institute of Aviation has been publishing Transactions of the Institute of Aviation since 1956. It publishes new, original articles written by researchers collaborating with the Institute, including those from abroad. The scope of the publication is closely related to the area of activity of the Institute and the scientific conferences organized there. All articles are reviewed before publishing.

The seminar will be held at the Institute of Aviation in Warsaw. In the frame of the seminar, special sightseeing tour for participants and accompanying persons will also be offered.

#### **Official language**

The official language for both, presentations and papers, is English.

#### **Student session**

Special student juried sessions will be held.

#### **Seminar fee**

The seminar fee covers the book of abstracts, final seminar proceedings, sessions attendance, refreshments and reception.

Participants	1100 PLN	250 €
Students	110 PLN	25€
Accompanying persons	220 PLN	50€

The payment should be made within one month from the notification of acceptance. The bank account details will be available at <http://read.meil.pw.edu.pl>.

#### **Article submissions and presentations**

All articles will be accepted only through on-line submission at <http://read.meil.pw.edu.pl>. Every author has to register and follow the instructions included in the registration forms.

The general digital equipment will be available for all sessions. In case of special needs, please inform the organizer.
